

# Recycle for Sight

**Your local Lions Club collects spectacles that are no longer needed to be recycled and used to improve the eyesight of children and adults in other countries. Here's how you can help.**

## Step 1:

Place the spectacles in the box or bin provided.

## Step 2:

Make contact with your local Lions. Contact Lions Clubs HQ (0345 833 9502) to find details for your local Lions Club.

## Step 3:

The spectacles are then sent to one of two Lions recycling centres in Chichester or at Lions National HQ in Birmingham for sorting.

## Step 4:

Our Recycle for Sight volunteers select those spectacles suitable for recycling. None of our spectacles are sent to landfill - ALL are re-used.

## Step 5:

We send our glasses to Lions Medico France for washing and re-grading but also send them direct to many countries throughout the world.

## Step 6:

Thank you. Your support in donating your spectacles will go a long way to play a key role in the success of this most worthwhile Lions project.
